

BACKGROUND

TRIÁNGULO P+
 Visual instrument to accompany the whole family during the work process.
 Encourage dialogue with a facilitator for analysis and reflection.
 A personalised resource that is continuously being built with the entire family.
 A permanent object where the guided reflections of the entire family are collected in different formats and languages, to understand their difficulties, potentials, and challenges to better respond to the children and adolescents needs.

METHOD

PREPARATION → AUDIENCE → VALIDATION → TRANSFERENCE
